RE: Los Angeles County – Santa Monica Mountains Local Coastal Program

Dear Mr. Bruckner:

This office has reviewed Los Angeles County's acknowledgement adopted August 26, 2014 regarding Land Use Plan Amendment No. LCP-4-LAC-14-0108-4 and Local Implementation Plan No. LCP-4-LAC-14-0109-4. Together, the approved Land Use Plan and the approved Local Implementation Plan constitute a complete Local Coastal Program (LCP) for the Santa Monica Mountains segment of the County's coastal zone.

Our review indicates that the County's acknowledgement and acceptance of, and agreement with the terms and suggested modifications, fulfills the conditions of certification of the County's Local Coastal Program, and that the County's action legally satisfies the Commission's certification resolutions adopted by the Commission on April 10, 2014 and July 10, 2014.

In accordance with California Code of Regulations, Title 14, Section 13544, I have made the determination that the County's actions are legally adequate to satisfy the terms and requirements of the Commission's certification and the Coastal Commission has concurred at its meeting of October 10, 2014. As such, the effective certification date of the Santa Monica Mountains LCP is October 10, 2014, and coastal development permit authority is delegated to the County of Los Angeles.

The Commission and staff appreciate the County staff's cooperation and assistance in this matter.

Sincerely,

Charles Lester
Executive Director
